### July Prayer Intention of Pope Francis Universal – Justice

That those who administer justice may work with integrity and that the injustice which prevails in the world may not have the last word.

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free down-cast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.

### St. Jerome Book Club Recommendation:

#### Bad Shepherds

by Rod Bennett

This book addresses popes from very early times until the time of Napoleon. Then, Mr. Bennett adds an afterword about how to fight back the suffering of our Faith.

Reading the current crisis through the lenses of Scripture and Church history, Bishop Barron shows that we have faced such egregious scandals before; that the spiritual treasures of the Church were preserved by holy men and women who recommitted themselves to fighting evil; and that there is a clear path forward for us today. -Word on Fire
