October Birthdays

Leonard Bergen 10/24
Sandy Burkhardt 10/28

Consider offering or attending Mass, or visiting a church to pray before the Blessed Sacrament for yourself or a loved one's birthday, thanking God *for the gift of family and life.*

Congratulations!!

To the Fritz Family of Ave Maria they were honored with prestigious Hale Master 4-H family award.

Please see a copy of the wonderful article written in the Covington Leader on the back page of this bulletin.

"Per direction from the diocese, the pews and other touchpoints should be sanitized between masses. We need parishioners willing to wipe down the pews after each weekend mass. It only takes a few minutes, but we need more willing hands to wipe end caps, tops of the pew backs and front edge of the seats to help lessen the chance of spreading COVID-19 in our church."

Prayer for the sick and those in need:

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.

Fritz family honored with prestigious 4-H award

The Fritz family from Tipton County has been recognized for their involvement and commitment to 4-H youth.

They were presented with the prestigious 2020 Hale Master 4-H Family award at the 96th Tennessee 4-H Roundup virtual awards program.

The purpose of the Hale Master 4-H Family Recognition Award is to recognize 4-H families for their consistent leadership and exceptional involvement on the county, region and state levels of 4-H work. The Fritz Family includes Laura and Patrick and their children, Andras, Theresa, Jacinta, Marita, Kateri and Mattias.

The Fritz family more than 15 years dedicated to the Tennessee 4-H program. Their youth have excelled within the 4-H Youth Development Program in local, county, regional and state programs in the areas of beekeeping, public speaking, photography, sewing, outdoor meat cookery, wildlife, engineering, and others.

The family has been engaged in numerous 4-H marketing endeavors, has served on the County 4-H Advisory Committee, led many 4-H club meetings, transported Regional All Star members, and have done many, many other projects.

The Fritz family is known to arrive early to assist with set up and stay late to tear down an event, wash dishes after a cooking program, or put supplies away.

This family is a part of the growing Tipton County 4-H program due to their youth having innovative program ideas like offering an engineering day camp, taking day trips to Fort Pillow apart of the Homeschool Club, etc. This family also assisted with the Tractor Supply Paper Clover sale, not for their youth to benefit from the amount raised but for other youth to utilize the funds raised towards their camp costs.

This family also has initiative ideas that drive programming to
